

You are invited to a free lecture
Giorgia Milne, Founder:
Touch of Presence®
School of Biodynamic Studies

When: May 10th Tuesday 7:00 PM – 8:00 PM

Where: Center for Educational Therapy

1230 Liberty Bank Lane, Liberty Centre I

Suite #210

(off Hurstbourne Pkwy)

Giorgia Milne's approach to wellbeing evolved from a complementary blend of allopathic skills, meditation, healing energy work, and life experience. Her primary modality is: Touch of Presence® Biodynamic Cranial Approach (BCA).

She teaches internationally, currently in Europe, Australia, Taiwan, and the U.S. Engaging students with her own expertise and passion for the work, she senses the atmosphere of the class field, and teaches from what arises within the present moment. Her curriculum includes: BCA Introduction, BCA Intensive, Craniosacral Anatomy, Embryology, Brain, Navigation Skills, and Fulcrums. Her newest course offerings are Fulcrum of Being and Fluids and Space.

Giorgia will be offering a BCA Introduction Course here in Louisville May 13-15 at the Center for Educational Therapy.

This class is eligible for CEU's through NCBTMB.

For more info you may contact: Center for Educational Therapy 502-412-1141.
